'Let your light shine'

Dear Parents/Carers Not surprisingly, the newsletter this week focuses on the amazing effort put in by everyone to produce yesterday's performances of Peter Pan. The whole production was a great team effort which revealed many new talents, so I really do thank all the children, Mrs Baker and the staff - and yourselves for making it all such a success. I hope you all enjoyed the show, and thank you to everyone who came along. Kind regards Chris Burman

This week a letter was given to the children explaining the class arrangements for next year. If you have not seen this letter, please do ask for a copy, which can be emailed directly.

This week we have been pleased to have had two Y10 work experience students from both King Alfred's. The two girls, Effie and Amelia, all did a terrific job in supporting staff and children in the classrooms, as well as helping us hugely yesterday during the performances of Peter Pan. We wish them all the best for the future.
