

# Brent Knoll Primary School

Newsletter

FRIDAY 18<sup>th</sup> November 2022

**Dear Parents/Carers** This week sees us participate in anti-bullying week and the children have discussed what this means to all of us, both in class and in assembly. The focus of anti-bullying week this year is on 'reaching out'; how we can reach out to others in need and how to seek help. Hopefully, your children can share what we have discussed, but conversations on this topic will continue in the weeks to come. Online support can be found at: <https://anti-bullyingalliance.org.uk/anti-bullying-week>

Kind regards Chris Burman

The school grounds are looking much prettier after a small group of Y6s spent an afternoon this week replanting pots and tubs with winter flowers and spring bulbs - photo above left. Thanks go to Mr and Mrs Ashton for their generous donations of plants.

Well done to Abella and Isabeau (photo left) who represented the school so well at last week's Remembrance service at Kings in Cheddar.

The Year 1s and 2s had a lovely day at Glastonbury Rural Life Museum on Tuesday, a trip happily combining both Geography and History skills. A tour of the museum- which, amongst a lot else, involved the strange discovery of why the skeleton of a cat or a pig's heart might be found within the walls of old houses - was followed by finding out how to make mulled apple juice in the old kitchen; maypole dancing in the ancient barn and banner making. The children were really well behaved, which was something the staff at the museum commented on.
