FRIDAY 25th November 2022

Dear Parents/Carers Each half term, we look at a particular Christian value and this term's is Justice. Each week, in our collective worships, we look at different aspects of what the value means for everyone, being inclusive of all backgrounds and beliefs. I have attached a separate fact sheet about Justice that you might want to share with your child. **Kind regards Chris Burman**

PS Tomorrow is a busy day for many of the children. We have four members of Year 6 travelling to Wellington School, to attend their prestigious Maths Challenge. In the afternoon, our choir will be singing in Burnham as part of the Christmas Lights celebrations. Do come along and support. The choir is performing at 4 pm in Victoria Street. Best wishes to all those taking part in tomorrow's events.

Under the leadership of 'Red' community group's oldest members, our Children In Need day (photos left) went very well last week. The work of the charity was shared in a whole school assembly and in classes the children enjoyed their 'snack-shack' cookies while admiring each other's spotty accessories. Outside, the donated coins were all collected and placed in our playground spots before being bagged up ready to go to the bank. The total raised was just over £200, which is a great amount, so thank you to everyone who contributed to this cause.

Unicorns and Dragons (pre-school), with three lucky year 6 buddies, had a terrific afternoon at Weston's Playhouse theatre this week when they attended a performance of The Very Hungry Caterpillar (photo above). With its mix of acting and puppets, the show was a perfect introduction to live theatre as well as a showcase for the work of American author Eric Carle, who wrote and illustrated about seventy books.
