Friday 10<sup>th</sup> November 2023

Let your  
**LIGHT**  
shine.  
MATTHEW 5:16

**Dear Parents/Carers:** This half term we are taking time to think of our value of Compassion. We frequently celebrate how children are compassionate in school, but if your child does show compassion at home, in their community or in the wider world, we would love to hear about it. Kind regards Chris Burman

For this year's Children in Need (which we are joining in with on Thursday, 16<sup>th</sup> November), we are going to focus on the theme of Compassion and for all of next week we will be recognising how the children in school show compassion, either to each other or in their community. On Thursday, however, we are having a non-uniform day and children are welcome to come in their own clothes, bringing a small donation for the 'Children in Need'.

**Poppies and Remembrance**

The school took time out today at 11am to remember those who have given service to their country and all the children took part in the two-minute silence. Thank you to everyone who has bought a poppy, the proceeds of which are used by the Royal British Legion in their work across the country.

Congratulations go to Ruby (in Pegasus Class) and her friends in the Rhythm Fever Carnival Club as they have put on a great display for this season's carnivals (photos above). Ruby will be parading again in Weston this evening and North Petherton tomorrow evening from 7pm onward. Well done, also, to Izzy and James for helping with the all-important collections for the RNLI.

Learning through food continues apace this term as both Kitsune and Pegasus (photo left) undertake D and T projects focused on creating new foods, as does Mrs Sinnott's weekly cooking club, the members of which prepared some tasty rolls on Tuesday.
