

# Brent Knoll Primary School

## Newsletter Friday 17<sup>th</sup> November 2023

Well done to Y5 for having the best attendance so far this year, with a very creditable 97.4%.

**Dear Parents/Carers:** We were all very impressed as to how all the children in school recognised the importance of Remembrance last week. Apart from our own two-minute silence, the school took part at the ceremony at the Kings of Wessex. Thanks go to Bobby and Eva (photos right) from Pegasus Class for being our representatives. Regards Chris Burman

This term we have had a focus on Compassion, and so our support of Children In Need was an obvious decision. As well as making a collection, the children and staff have all been recognising acts of compassion by recording them on yellow 'Pudsey' dots and sticking them all over the school (photo below)! Thank you for all the kind donations and yesterday we raised £161.06 which will be sent off to the charity as soon as we can. Lots more will be shared on the BBC this evening.

The local branch of the Royal British Legion has told us we raised **£60.01** from the sale of Poppies last week. Thank you to everyone who bought one. The Legion has said this year's local collection has been almost double that of last year, which is great news.

On Monday and Tuesday the members of Y6 took to their bikes and undertook a Bike-ability course with the assistance of trainers from Somerset Council and the school's apprentice, Mr Kitch. The children (photos right) undertook training in the classroom and out on the roads of Brent Knoll. Well done to all involved.
