St. George's Day: Tuesday, April 23rd

Dear Parents/Carers

It was lovely to see all the children returning this week, to restart their learning in school. Lots of new topics have already begun and we hope they are all enjoyed over the next few weeks. Teachers will be in touch, if they haven't done so already, to let you know what your child will be doing and how you could help at home. Regular reading and number work will, of course, always be beneficial. If you have any questions about what we are doing at school, please always feel free to come in and ask.

Kind regards Chris Burman

This term's school value is Endurance. We will be teaching the children that endurance is the recognition that life is sometimes difficult and painful and that it is important not to give up in the face of adversity. Endurance and perseverance are only possible where there is hope and that hope, for many, is based on the enduring nature of God's love and faithfulness. In our school this means that we don't give up as soon as things go wrong. We know that we can learn from mistakes and keep improving. Even when we are faced with challenges we remember that we are not alone.

The following is a message from our friends at **Burnham Academy** swimming pool: 'We have managed to get an offer put in place for all the schools that swim with us to encourage the parents to keep their children participating in swimming lessons. **We are able to offer parents 15% off their first month of swimming lessons.**

This offer is available until Sunday 19th May. Parents can either sign up online or come in and sign up with our reception team.

The grand sum of £942.56 has been raised in the 2024 Challenge. We are really very appreciative of everyone's efforts in this latest fundraiser. The money raised has already been spent - along with our recent grant from the Nuttall Trust - on a new set of Chrome Books, which have already been used across the school, as shown in the photo above.

CLUBS: Just to say that after-school clubs will continue to end at **4.15pm** each day, not 4.30pm as stated on Parent Pay this week. Apologies for any confusion.
